Moderated by: Dan F. Sturdivant, II DHS, OSDBU

Policy Statement

• It is the policy of the United States, as stated in the Small Business Act, that "all" small businesses have the maximum practicable opportunity to participate in providing goods and services to the government.

SBA Legislation

To ensure that small businesses get their fair share, SBA:

- negotiates annual procurement goals with each federal agency;
- reviews each agency's results; and
- is responsible for ensuring that the statutory government-wide goals are met.

Government Wide Statutory Goals

- Small business 23 % of prime contracts
- SDB 5 % of prime & subcontracts
- WOSB 5 % of prime & subcontracts
- HUBZone 3 % of prime
- SDVOSB 3 % of prime & subcontracts
